# Vision Benefits

## Vision Plan Summary

> Getting your eyes checked regularly is important, even if you don't wear glasses or contacts. Vision coverage through UnitedHealthcare helps you and your family access quality care and savings on exams, lenses, and frames. UnitedHealthcare Vision is a voluntary vision plan available to employees and their dependents.

### 🗓️ Frequency Reset

All coverage frequencies reset on **January 1** of each plan year. Benefits not used do not carry over to the following year.

### ⚠ Out-of-Network Reimbursement

You will pay for services with out-of-network doctors in full at the time of the visit and will be required to submit the services for reimbursement from United Healthcare.

### Laser Vision Correction

Through UnitedHealthcare's partnership with QualSight LASIK, vision plan members can access discounted LASIK services, including:

- Traditional LASIK: Starting at $945 per eye—savings of up to 35% off the national average price.
- Custom LASIK: Starting at $1,395 per eye.
- Additional discounts on newer technologies, including Custom Bladeless (all-laser) LASIK.
